"First 30 days" checklists

Simply check each box below when you feel you have reached that stage. Please do each exercise at least We added these to help you better measure when you are ready to move on to something more advanced.

twice—don't skip ahead by checking the most advanced box the first or second time you do the exercise or you are defeating the whole point of practicing. Read the entire book once through (highlight any sections you like, and feel free to scribble in the margins as needed). Try to spend at least 5 minutes every day actually playing with your cards. Stop in at EasyTarotLessons.com at any time if you get stuck.	most advance practicing. \mathbb{R} in the man Stop in at E	end the enting the fixed box the fixed the enting the enting ins as need as yellow the syllarothes.	re book once the	time you do time you do through (he through at leas spend at leas uny time if you	the exercise ighlight any st 5 minutes ou get stuck.
